SECTION VI

PROCEDURE FOR REVIEW OF APPLICATIONS

FOR LAND DIVISION APPROVAL

A. Upon receipt of a land division application package, the designated official shall approve, approve with reasonable conditions to assure compliance with applicable ordinances and the protection of public health, safety and general welfare, or disapprove the land division applied for within 45 days after receipt of the application package conforming to this Ordinance's

LYNDON TOWNSHIP RESTATED LAND DIVISION ORDINANCE

January 1998

requirements, and shall promptly notify the applicant of the decisions and the reasons for any denial. If the application package does not conform to this Ordinance requirements and the State Land Division Act, the designated official shall return the same to the applicant for completion and re-filing in accordance with this Ordinance and the State Land Division Act. The designated official shall provide the applicant written notice whether the application is approved, conditionally approved, or disapproved, and, if disapproved or conditionally approved, all the reasons for the disapproval or conditional approval.

B. Any person or entity aggrieved by the decision of the designated official may, within 30 days of said decision appeal the decision to the Township Zoning Board of Appeals which shall consider and resolve such appeal by a majority vote of said Board at its next meeting or session affording sufficient time for a 20 day written notice to the applicant (and appellant where other than the applicant) of the time and date of said meeting and appellate hearing. The Zoning Board of Appeals shall obtain written reports from the Township Engineer and Township Planner and others if they deem appropriate for its use in deciding the appeal. The decision of the designated official is final, unless appealed to the Zoning Board of Appeals. The Zoning Board of Appeals shall review the decision and grant relief if it finds that the decision is arbitrary or capricious, an erroneous application of law, or an unreasonable exercise of discretion. The Zoning Board of Appeals

LYNDON TOWNSHIP RESTATED LAND DIVISION ORDINANCE

January 1998

shall have the power and duty to waive or relax the provisions of this Ordinance in specific cases. To this end, the Board of Appeals may grant appeals, which will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this Ordinance would result in unnecessary hardship or practical difficulty. A appeal shall not be granted unless all the following standards are met:

1. Special conditions and circumstances exist which are unique to the land, structures or buildings involved, and are not applicable to other lands, structures or buildings;
2. The special circumstances and conditions on which the appeal is based do not result from the actions of the applicant;
3. Literal interpretation of this Ordinance would deprive the applicant of rights commonly enjoyed by other property owners under the terms of this Ordinance;
4. Granting the appeal will not confer upon the applicant any special privilege that is denied by this Ordinance to other lands;
5. The existence of nonconforming parcels or nonconforming uses of parcels, structures, or buildings under the Township's Zoning Ordinances or other regulatory ordinances shall not be considered

LYNDON TOWNSHIP RESTATED LAND DIVISION ORDINANCE

January 1998

grounds for the issuance of a appeal.

6. A appeal granting a waiver or variance of the ordinance shall be the minimum variance that will make possible a reasonable division of land in accordance with law and not otherwise detrimental to the public interest.

C. A decision approving a land division is effective for 180 days, from date of approval by the designated official, or if appealed to the Zoning Board of Appeals 180 days from the Zoning Board of Appeals decision.

D. The designated official or township clerk shall maintain an official record of all approved and accomplished land divisions or transfers.

E. All deeds and other instruments of conveyance and surveys for all approved land divisions must be submitted to the designated official for review prior to recording. The designated official shall mark the date of approval of the land division on the deeds, instruments, and surveys, attesting to their conformity to the approved divisions. Copies of the approved documents shall be retained by the designated official.

SECTION VII

A proposed land division shall be approved if the following criteria are met:

LYNDON TOWNSHIP RESTATED LAND DIVISION ORDINANCE

All the parcels to be created by the proposed land division(s) fully comply with the applicable lot (parcel), yard and area requirements of the applicable zoning ordinance, including, but not limited to, minimum lot (parcel) frontage/width, minimum road frontage, minimum lot (parcel) area, minimum lot width to depth ration, and maximum lot (parcel) coverage and minimum setbacks for existing buildings/ structures.

B. The proposed land division(s) comply with all requirements of the State Land Division Act and this Ordinance.

D. Proof of a wetland permit issued by MDEQ or Washtenaw County shall be provided for any proposed land division that involves, uses, includes, or impacts a regulated wetland or for any regulated wetlands activity.

E. The ratio of depth to width of any parcel created by the division does not exceed a four to one ratio exclusive of access roads, easements, or non-buildable parcels created under Section VIII of this Ordinance and parcels added to contiguous parcels that result in all involved parcels complying with said ratio.

F. All parcels created by a land division shall comply with a minimum road frontage, approvals, design, length, and construction standards of the Township Road Ordinance.

SECTION VIII

EFFECT OF APPROVAL OF LAND DIVISIONS

The designated official shall maintain a record of all land divisions approved in the Township. An approval of a land division shall be in effect for not more than 180 days after such approval by the designated official or, if approved on appeal, by the Zoning Board of Appeals, unless within such 180 day period, a deed, other instrument of conveyance, or survey, with the designated official's mark of approval affixed thereto, accurately describing the resulting parcel(s) other than the parent parcel or tract retained by the applicant, is recorded in the office of the Washtenaw County Register of Deeds and a true copy thereof, showing proof of such recording, filed with the designated official 10 days thereafter. Such survey shall comply with the requirements of Public Act 132 of 1970, as amended. If the above recording is not done, within the 180 day period, such land division approval is void and revoked without further notice.

SECTION IX

notify the applicant of the decisions and the reasons for any denial. If the application package does not conform to this Ordinance requirements and the State Land Division Act, the designated official shall return the same to the applicant for completion and re-filing in accordance with this Ordinance and the State Land Division Act. The designated official shall provide the applicant written notice whether the application is approved, or disapproved, and, if disapproved, all the reasons for the disapproval.

B. Any person or entity aggrieved by the decision of the designated official may, within 30 days of said decision appeal the decision to the Township Zoning Board of Appeals which shall consider and resolve such appeal by a majority vote of said Board at its next meeting or session affording sufficient time for a 20 day written notice to the applicant (and appellant where other than the applicant) of the time and date of said meeting and appellate hearing. The decision of the designated official is final, unless appealed to the Zoning Board of Appeals. The Zoning Board of Appeals shall review the decision and grant relief if it finds that the decision is an erroneous application of law.

C. A decision approving a land transfer is effective for 180 days, from date of approval by the designated official, or if appealed to the Zoning Board of Appeals 180 days from the Zoning Board of Appeals decision.

D. The designated official or township clerk shall

LYNDON TOWNSHIP RESTATED LAND DIVISION ORDINANCE

maintain an official record of all approved and accomplished land divisions or transfers.

The designated official shall mark the date of approval of the land transfer on the deeds, instruments, and surveys, attesting to their conformity to the approved transfers. Copies of the approved documents shall be retained by the designated official.

SECTION X
